# TO THE CUSTOMERS

Shoes are identity of a true gentleman. They speak a lot about the image and individuality of a person. But you cannot carry the same type of footwear at all the places. When working outside the comfort zone, special shoes are required for foot safety.

**DENS LEATHERS** is a manufacturing company of finished leathers and leather goods like shoes, bags, belts, and wallets operating in UP State which is the Leather economy capital of India. We have been committed to constant innovation and manufacturing the highest quality footwear for our designers and our warehouse is in Ghala, Oman.

“At **DENS LEATHERS** our mission is to deliver the highest quality footwear, on-time, with excellent customer service through socially and ethically responsible manufacturing practices.”

We manufacture Safety Shoes using PU Pouring from, ITALY. All our products are of very good quality and made as per exact specifications provided by our customers. We are exporting a majority of our products.

**A perfect blend of highly technical, skilled and semi-skilled workforce and competent managers has helped us in carving out an enviable position for ourselves in the global market.**

The company has always taken a responsible attitude to the environment and has adopted manufacturing processes considering the health and safety of employees and the impact of its operations on the environment.
